

Come along to our Apprenticeship Open Evening

Further to your recent application, you are invited to attend an open evening at our dealership along with your parent/guardian to find out more about apprenticeships with Thurlow Nunn.

At this event you will be greeted by our Directors, their team, and representatives from Vauxhall Academy. You will then be taken on a tour of the dealership with activities along the way in order to help you gain a greater understanding of the apprenticeships on offer.

You will then participate in a career speed networking event designed for you to ask members of our team questions about their career paths, life at Thurlow Nunn, and any other questions you may have to help you gain a greater understanding of life in the automotive industry. Whilst you are participating in this event, your parents/guardians will have the opportunity to meet the HR team to ask further questions regarding the apprenticeship programme.

Towards the end of the evening, there will be an opportunity to talk one on one with our personnel over refreshments.

Please reconfirm your attendance straight away to enable us to include you in this exciting event, as places are limited. We will look forward to seeing you soon!
